Pete the cat

Rocking in my school shoes

Pete goes to SCHOOL, rocking in his school shoes. First he enters the CLASSROOM, where he sees a blackboard, desks, chairs and his teacher. Then, he goes to a place full of shelves and books. It is the LIBRARY ! He keeps on exploring and finds the place where the headmistress works, the HEADMISTRESS´ OFFICE. Next to it, he discovers a place full of computers, the COMPUTER ROOM, and at the end of the corridor, a room full of bottles and experiments: the LABORATORY!
At midday, he starts feeling hungry, so he goes to a place with chairs, tables and lunchboxes to eat his lunch: the LUNCHROOM. When he finishes eating, he goes to play with his friends to an open space with slides and swings: the PLAYGROUND!
The bell rings and the teacher asks Pete and his friends to get in the line, but Pete shouts: "Miss, I need to go to the TOILET !"
The teacher smiles and says: "Ok Pete, you may go to the toilet now, but remember, next time you have to go during BREAK !

TRUE or FALSE? Choose the correct option and if it is FALSE, discuss the TRUE version with your class!
