LET'S REWIEW- NUMBERS TO 20 AND AROUND TO SCHOOL

1. Calculate.

+	-
One + two =	Five - three =
Eight + three =	Nine - five =
Five + seven =	Seven - seven =
Fifteen + four =	Fifteen - eight =
Eighteen + two =	Eighteen - three =
Twelve + three =	Thirteen - one =

2. Read the text and solve the task.

POLDA: This is my maths room and this my english classroom.
MRS. MOČNIK: Who's that over there? Is this your class teacher?
POLDA: No, she isn't. That's Mrs. Smith. She's my sport teacher.
MRS. MOČNIK: Oh, I like to meet her.
POLDA: Mrs. Smith, this is my mother. Mum, this is Mrs. Smith.
MRS. SMITH: Good morning, mrs. Močnik. Nice to meet you.
MRS. MOČNIK: Morning, mrs. Smith. Nice to meet you too.
POLDA: Oh, look, here's Edita. Mum, this is Edita. She's my friend.
EDITA: Good morning, mrs. Močnik.
MRS. MOČNIK: Hello, Edita. How are you?
EDITA: I'm OK, thanks.

a) Write true, false or not given.
