Weather Forecast – midnight 7th April 2021

remember

1. Listen to the weather report broadcast at midnight (0:00 am) 7th April and try to remember as many weather adjectives as you can. Don't write anything at this point.

2. Now you will have 2 minutes to write down the weather adjectives you can remember.

3. Listen again and match the figures and the places marked on the map. Drag the rest under „NOT USED".

drag and drop
