How will the future be?

1 Will the future be completely different? Maybe. Some people say that in the future
2 children won't go to school. They will stay at home and will learn everything using
3 only their computers.
4 The computer will have their own voices and they will think like human beings.
5 Robots will do all the hard work - they will wash clothes, they will clean the house,
6 they will put satellites in space and they will travel to other galaxies.
7 People will do a lot of things without leaving home.
8 Will this be good or bad? Ok, in the future we will know the answer to this question.

4) ESCREVA TRUE OU FALSE de acordo com o texto:

A) _____ O texto fala de impossíveis acontecimentos no futuro.
