Hi Jenny,

I'm in the USA! I'm here with my family and we're visiting our cousins in San Francisco. We're staying in their house and we're doing a lot of exciting things. Every day, we go to the beach near their home, but usually only in the morning. That's because it's hot in the morning, but it's often really cold later in the day! We wear jumpers and hats then! In the afternoon we often go cycling, but only in Golden Gate Park. San Francisco has got a lot of fantastic cafés and restaurants. It's a great city. I want to come back next year!

See you soon,
