Patrick, Phoebe and Alex were in the Science lesson. They were doing an experiment but Patrick was not responsible at all. He didn't put on his safety [1] to protect his eyes and then, he didn't follow the [2] and caused an [3] .

Suddenly, a gate appeared. When the children stepped into it, they travelled through time to the past and appeared in Pompeii, an old Roman city. But while Patrick and Alex were looking at the beautiful [4] with their [5] ,Phoebe told them about the [6] which was about to erupt. They ran up a hill and there, they saw the yellow glow again.

They jumped into the gate but it didn't bring them home. It took them to the Amazon rainforest, where they saw lots of interesting animals. Phoebe explained, that the long big snake which looked like a [7] was called an [8] and that the [9] was not dangerous because it only ate leaves. But she also told them not to touch the frogs which were swimming in the [10] because they were poisonous.
