The Beginning of The World

Read the following story and complete the blank spaces with a **COMMA** (,) or a **STOP** (.)

A million years ago _____ the world was completely empty _____ There were no humans walking on Earth _____ and the only living things you could see were old and ugly creatures _____

This is the story of Rouben _____ a small _____ tiny_____ microscopic creature that lived all alone in the sea_____

Everyday _____ Rouben did the same things _____ he woke up early in the morning _____ he ate some seaweed _____ he swam for 30 minutes and he went outside the water_____ Everyday he walked miles and miles to look for another living creature _____ He looked on the trees _____ he looked under the rocks _____ he even looked up into the sky! But there was nothing_____

When Rouben got back home _____ he put on his pajamas and he imagined what other creatures could exist in the world _____ He imagined animals with wings (he decided to call them "birds") _____ he imagined giant creatures with sharp teeth (he decided to call them "dinosaurs") _____ but his favourite imaginary creature was something he liked to call a "human"_____

Every night _____ Rouben thought about what humans would look like _____ Inside his mind humans had two long legs and two short legs _____ but they only

used two of them to move around _____ They also had a lot of hair and they liked to eat animals _____

The years passed and Rouben started to get older and older _____ and now he didn't have the strength to keep doing his investigation trips _____ When he lost his faith and decided he would die alone _____ Rouben went to sleep for the last time _____

But seconds later _____ a pair of enormous feet (for him) starting walking close to him _____ The feet made the floor vibrate and shake but Rouben didn't get scared _____ he knew that his wish had come true _____

That was the day that Rouben could finally see a human for the first and last time _____ The human accidentally stepped on him.

The End
