

J06 EXTRA PRACTICE 11

Name: _____

1. LISTEN TO THE RADIO SHOW AND MATCH THE TWO PARTS OF THE SENTENCES

Frequency of Recycling Materials

Look at the chart from the 2009 Greendex Report. It compares how often people in different countries recycled their household materials in 2008 and 2009.

VOCABULARY

1. COMPLETE THE SENTENCES WITH THE CORRECT NATIONALITY

- In both years, the Australians recycled over eighty per cent of the time.
- The _____ increased their recycling to over three quarters of the time.
- In 2008, the _____ recycled exactly a third of the time. In 2009, they recycled just over fifty per cent of the time.
- In 2009, the _____, the _____ and the _____ all recycled at the same frequency.
- In 2008, the _____ and the _____ recycled over fifty per cent of the time and over sixty a year later.
