The fridge light washes this room bright  
Moon dances over your good stride  
This was all we used to need  
Tongue-tied like we've never shown  
Telling those stories we already old  
'Cause we don't say what we really mean

We're not who we used to be (x2)  
We're just two hosts  
standing in the place of you and me  
We're not who we used to be (x2)  
We're just two ghosts  
Dreaming in a glass half empty  
Trying to remember  
how it feels to have a heartbeat

We're not who we used to be (x2)  
We're just two ghosts  
standing in the face of you and me  
We're not who we used to be  
We don't see what we used to be  
We're just two ghosts  
swimming in a glass half empty  
Trying to remember  
how it feels to have a heartbeat

Trying to remind  
how it feels to have a heartbeat  
I'm just trying to remember  
how it feels to have a heartbeat
