Hi Chris,

How are you? I'm in Hull with my family. Hull is a seaside town with a great beach. We're here on vacation, but the weather is terrible. There isn't much to do here when the weather's bad. It's a small town. There aren't any museums or movie theaters. There isn't a library, a sports complex or a shopping mall. There are some stores in the town square. There's also a supermarket, two banks, an Italian restaurant (they have delicious pizzas) and two post offices. Our hotel is next to a post office. Behind the hotel, there are a few houses, a park and then the beach. There are a lot of seagulls in this town!

In front of the hotel, there's a very good café. We have lunch there every day.

The chocolate ice cream is great. How is your vacation?

See you next week.

Love from Josh
