

Two young sports stars

Jess Barnes received the Young Sailor of the Year award and she was only 13!

'It's amazing,' says Jess. 'I love sailing. It's my life. I always go sailing at weekends. I'm never bored. I sometimes go sailing in a team but I go sailing alone, too. In the holidays, I usually go to different sailing competitions. Some of these are in other countries. It's difficult to get a place in the competition teams. I need to work hard but I know I can do it! I want to sail and to win.'

'I didn't like playing rugby and football. They're boring! I wanted to try a different sport. Cycling is different and no one else at my school does it,' says **James Miller**.

'I really love the sport and it keeps me fit. I often go cycling with my friends. It's good practice for my team competitions. I'm sometimes tired but then I think about the Olympics. I want to go there and win! Remember – you don't find many world champions on the sofa!'
