Castle In The Snow

Kadebostany

The light is ----------now
My soul is running on a puff that I ----------reach
My ---------- is turnin'
And my ---------- is hurtin'
Every day a little bit

The light is fading now
My forces is being sucked by a bloody leach?
My fear is smilin'
And my threat is ----------
Every night a little bit more

I cannot see anything
I am blindfolded

I can ---------- the birds
I can see them ----------
I can see the ----------
I can ----------the birds
I can see them fly
I can see the sky
It's ---------- to cry

I'm a zombie
I don't know what ----------
I should be done in the place
But I gotta stay, stay stay
Stay stay stay stay

I'm so lonely
I don't know if I get ----------
I wanna be floating in space
But I gotta stay, stay stay
Stay stay stay, stay

I can hear the birds
I can see them fly
I can see the sky
I can hear the birds
I can see them fly
I can see the sky
It's about to cry
