

Practice proofreading to find spelling errors

- Read these paragraphs taken from the story. There are **nine** spelling errors. Find the spelling errors and put them in the box below with the correction next to it. You may use a dictionary.

Last year I want on the most amazing journey to Morocco. I decided to go there becuase I am fascinated by North African culture. I didn't have much tame. I only had a week.

On the first dey, I travelled from Agadir to the Atlas Mountains. The Atlas Mountains is a vast mountain range, which is very hat and dri in the summer but cald and icy in the winter. We went hiking with a tour guide and he explained all the trees to us. I also saw goats climbing the trees to eit the leaves. It was really funy.

- Next type the 9 spelling errors below in the left column and the 9 corrections in the right column. Use a dictionary to help you find the correct spellings.
