Read Maz's thoughts and complete the "get wheel" with the missing meanings:

"Ben and I get on very well with each other but I don't think that's enough. As soon as he gets home I'm going to talk with him. But... what if he doesn't get what I'm saying? What if he doesn't understand my feelings? What if I hurt him? Maybe I can get the bus and go to the store he likes so much. If he hears the news when he gets a present... No, that's too stupid. I gotta sleep on it. I got tired of overthinking."
