married
tried
moved
ran
made
bought
took

7. Complete the story by the given words (pay attention to **verbs**)

Reality show- ankle- make- hiking- break- take out- camping- hurt- kick

One day, my Mom wanted to clean our house. So she asked me to help her, first I my bed then I..... the garbage. After that my friends came to pick me up for going out. They said we would go then we would play kickball and we would go so I would miss the TV show I like. When we came down of the hill, I fell and I my leg, but I didn't tell them. When we played kickball, I the ball and my was in too much pain that I shouted. We went to hospital and doctor said I my foot. The good point was that I came back and I watched..... .
