_____.
- Is he a potato farmer?
_____.
- Is it hot in Mexico in the summer?
_____.

DIFFERENT FARMERS

Sofia is from Poland and she and her husband, Yaroslaw, are potato farmers. They have a big farm of about 55 hectares. The weather in Poland is good for potatoes because it is cool and wet in the summer. People in Poland eat a lot of potatoes. Some of the potatoes are for their family but they sell some of their potatoes to other countries, like Germany and England.
