

KALEV Level 4 – Final Practice

Hello Iva!

I have got great news! I have just moved into a wonderful flat in Paris. I moved because my old flat was so far away from university! The school ends at 4 pm but I could come back home at 6 in the evening because of the **traffic jam**. Can you believe that? My new flat is small and **cosy**. It has got two bedrooms and one bathroom. The kitchen and the living room are together. There is a great park on the corner of the street. I **hang out** with my friends there. It is a fantastic **spot** to play basketball. So, I really like the place. We are going to have a basketball match there on the 30th of June at 3 in the afternoon. I want to invite you too. You can be in my team. We will have so much fun. I hope you can make it. Here is the address of Belleville Park: Couronnes Road, 47

Take care!

Hugo

A. Write True or False (5 pts)

1. His new flat is closer to the university than the old one. _____
