

Song Time with Taylor Swift

Safe & Sound (2012)

I remember **tears streaming down your face**

When I said 'I'll never 1. _____

When all those **shadows** almost killed your light

I remember you said

'Don't **leave me here alone**'

But all that's **dead and gone and past tonight**

**Just 2. _____

The sun is going down

You'll be alright

No one can 3. _____

Come morning light

You and I'll be 4. _____

Don't you dare look out your window

Darling everything's on fire

The war outside our door keeps **raging** on

Hold on to this **lullaby**

Even when the music's gone

Repeat **

Just close your eyes

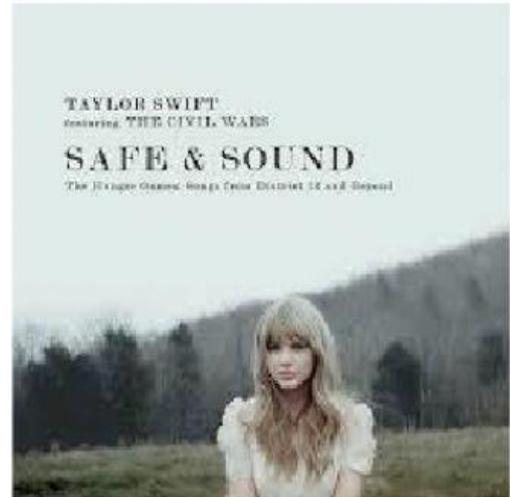

You'll be alright

Come morning light

You and I'll be safe and sound
