This interactive activity is designed for kindergarten students to practice listening and organizing numbers. It features a collection of 12 numbered cards and a set of empty boxes for sorting.

Numbered Cards: The cards display the following numbers: 20, 10, 12, 14, 19, 18, 13, 15, 16, 17, 11, and 15. Each card has a blue circular border and a small speaker icon in the top-left corner, indicating that the number is spoken aloud when clicked.

Each box also has a small speaker icon in its top-left corner. Blue arrows point from left to right between the boxes in each row, suggesting a sequence or flow.
