Listen to the song and complete the song with the corresponding modals (must, should or could)

Honey you are a rock
Upon which I stand
And I come here to talk
I hope you understand
The green eyes
Yeah, the spotlight, shines upon you
And how anybody deny you?
I came here with a load
And it feels so much lighter now I've met you
And honey you know
That I never go on without you
Green eyes
Honey you are the sea
Upon which I float
And I came here to talk
I think you know
The green eyes
You're the one that I wanted to find
And anyone who tried to deny you
..... be out of their minds
Because I came here with a load
And it feels so much lighter since I've met you
And honey you know
That I never go on without you
Green eyes
Green eyes
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Honey you are the rock
Upon which I stand
