

I just want you, by Ozzy Osbourne

Listen to the song and fill in the gaps
with the words in the box:

incurable - uncriminal - believable -
indisputable - unachievable -
unsafeable - unnamable - unwinnable -
invisible

There are no unlockable doors
There are no _____ wars
There are no unrightable wrongs
Or unsignable songs
There are no unbeatable odds
There are no _____ gods
There are no _____ names
Shall I say it again, yeah
There are no impossible dreams
There are no _____ seams
Each night when the day is through
I don't ask much I just want you I just
want you
There are no _____ crimes
There are no unrhymable rhymes
There are no identical twins or
forgivable sins
There are no _____ ills
There are no unkillable thrills
One thing and you know it's true,
I don't ask much I just want you
I just want you

I just want you
I'm sick and tired of bein' sick and tired
I used to go to bed so high and wired,
yeah yeah, yeah, yeah
I think I'll buy myself some plastic water
I guess I should have married Lennon's
daughter, yeah yeah, yeah, yeah
There are no _____ goals
There are no _____
souls
No legitimate kings or queens, do you
know what I mean?
Yeah
There are no _____ truths
And there ain't no fountain of youth
Each night when the day is through,
I don't ask much
I just want you
I just want you.
Yeah, yeah, yeah
I just want you
I just want you,
Hey, yeah
I just want you.
Yeah, yeah, yeah
I just want you, hey
I just want you
I just want you
