

You are going to **WRITE A STORY** about an experience you had (or an imaginary one) where you felt that you took a risk and it worked. Remember to use different tenses. Use the writing plan to help you.

Make notes for your story. Describe...

- ✓ where and when the story happened.
- ✓ who was involved.
- ✓ why it was a risk.
- ✓ how you felt about it.
- ✓ what happened in the end.
