

Singer/Group: Bon Jovi
Song: Thank You For Loving Me
Purpose: Nouns
Instructions: Fill in the missing nouns.

"Thank You For Loving Me"

*It's hard for me to say the -----
I wanna say sometimes
There's no one here but you and me
And that broken old -----*

*Lock the -----
Leave the ----- outside
All I've got to give to you
Are these five ----- tonight*

*Thank you for loving me
For being my -----
When I couldn't see
For parting my -----
When I couldn't breathe
Thank you for loving me
Thank you for loving me*

*I never knew I had a -----
Until that ----- was you
When I look into your -----
The -----'s a different blue*

Cross my -----
I wear no -----
If I tried, you'd make believe
That you believed my -----

Thank you for loving me
For being my -----
When I couldn't see
For parting my -----
When I couldn't breathe
Thank you for loving me

You pick me up when I fall down
You ring the ----- before they count me out
If I was drowning you would part the -----
And risk your own ----- to rescue me

Lock the -----
Leave the ----- outside
All I've got to give to you
Are these five ----- tonight

Thank you for loving me
For being my -----
Oh, when I couldn't see
For parting my -----
When I couldn't breathe

Thank you for loving me
When I couldn't fly
Oh, you gave me -----
You parted my -----
When I couldn't breathe
Thank you for loving me
Thank you for loving me
Thank you for loving me
Oh, for loving me
