

Other people who help us

There are many workers in the community. They have special skills. Here are some of them.

Date: _____

1. Match the names of the workers with the jobs that they do. Write the letter on the line.

lifeguard or beach warden ____		A. helps us to find the right book in the library
security officer ____		B. makes furniture and other things from wood
carpenter ____		C. prepares medicines for us when we are sick
librarian ____		D. helps keep swimmers and our beaches safe
pharmacist _____		E. protects buildings in our community from thieves

Find out more about people who help us. Choose a worker in your community. Ask them questions on a worksheet. Tell the class what you find out.
