

My Grandad's Farm

T.Ahlam Al-Sabari

Hello! My name is Ann. I am 8 years old, and this is my brother Bart. Every Sunday we go to my grandad's farm. There are some sheeps, cows, cats, ducks and hens. There is also a big dog. It's name is Bobbi. It is a big brown fat dog. It has got small ears and a small tail. It can bark and run very fast. In holiday, we like to go to the zoo. We like to see the huge green crocodile with its big sharp teeth. We also like to watch the monkeys and have some fun. Monkeys can jump and dance and make funny actions.
