2 Listen to the audio and complete the spaces with the missing words.

Hanging your head out of a car or train window can be fatal but not by decapitation

Many parents and other supervising adults have 1_____ over the years that 2_____ your head out of a car window or train window if you're specially stupid can cause you to be decapitated and 3_____ your life in an instant. Some people think this is 4_____ and continue to hang their hand, arm, or whole head out a window; in their minds they are just having some fun and not letting the 5_____ get them down.

They 6_____ that cars, buses and trains don't really go that close to things, and if they do, they can pull that part of their body back in time. However, it doesn't always work out like that. While it doesn't happen daily, people get their heads 7_____ while hanging them out of moving windows relatively often, all things considered, and it nearly always result in death if the speed was even 8_____ significant.

Now, decapitation has not been reported in any case, the head always stay 9_____ to the body, but that doesn't mean the person doesn't still die due to a head 10_____.
