4. 	Planting trees to improve air quality is practical

3. Writing Activity

What to do during Earth Day?

Question : Tomorrow is Earth Day. My brother and I are planning to take part in it. We want to plant some trees. What do you think? Do you have any suggestions?

3. Fill in the blank with appropriate answers.

donate

help

park

plant

take part

Situation		Answers
Introduction		Hi Arwa, It is great to 1. in the Earth Day. My advice would be to 2. some trees.
1 st suggestion		My first suggestion is to get your family, friends and neighbours to 3. some tree saplings.
2 nd suggestion		My second suggestion is to grow these plants and tree saplings in your 4. and housing compound.
3 rd suggestion		My third suggestion is to ask your neighbours to 5. you.
Conclusion		Planting tree is important because trees will help to improve our air quality. This is because trees take in carbon dioxide and give out oxygen. All the best. From, Surya
