But the park is grey and boring in the winter.

Come on. Rex loves walking in the park.

Woof!

3 Look, George. What are those things up in the tree?

Wow! They're birds. They're made of wool. They're so colourful and spotty! Whose are those birds?

4 Do you like that tree, George?

Yes, I do, Granny! The tree is wearing a big, stripy scarf! Whose is that scarf?

5 What are these, George?

They're flowery balls. They're made of wool. They're beautiful!
