

Misunderstood - Robbie William

_____ to be misunderstood
But it _____ do me any good
Love the way they _____ at me
_____ that face for eternity
Now _____ them all fly off
When it _____ down

It all comes down
And you will not be _____
When it _____ over
It's all over
Even if I _____ a sound

I'll _____ misunderstood
By the beautiful and good in this city
None of it _____
_____ me by the hand
Just don't try and _____

Trying to be _____
Just a product of my childhood
Still I _____ myself outside
You can't say I _____

Perhaps I tried too hard
No excuses
I won't _____

To _____ your lies
_____ find me
_____ them to me
_____ me in the eyes

Chorus

_____ sorry to _____
You don't _____ you're guilty anyway
Isn't it funny how we don't _____ the language of love?
