

Name: \_\_\_\_\_

### Division Worksheet

Circle the groups and complete the sentences and equations:

There are \_\_\_\_\_ penguins in five groups.

So there are \_\_\_\_\_ penguins in each group.

$$\square \div \square = \square$$

There are \_\_\_\_\_ koalas in four groups.

So there are \_\_\_\_\_ koalas in each group.

$$\square \div \square = \square$$

There are \_\_\_\_\_ dogs in two groups.

So there are \_\_\_\_\_ dogs in each group.

$$\square \div \square = \square$$

There are \_\_\_\_\_ donkeys in three groups.

So there are \_\_\_\_\_ donkeys in each group.

$$\square \div \square = \square$$
