

# Lesson 2 | Chicago Attractions

## Speaking • Pairwork

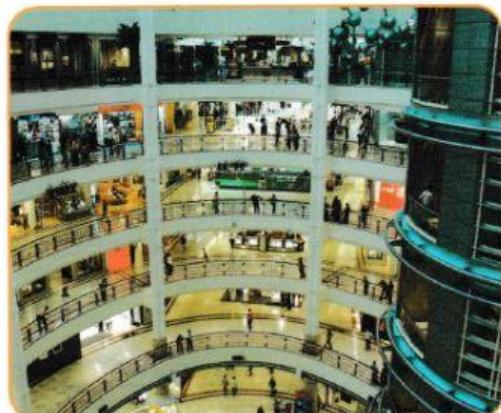

In pairs, talk about the best things to see and do in the place where you live. Use the pictures to help you.

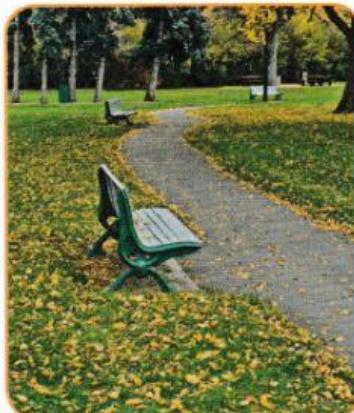

restaurants

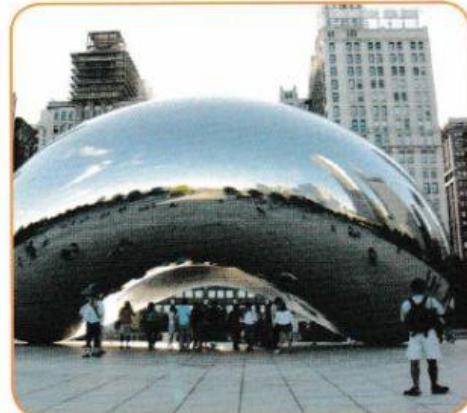

museums

stores

green areas

tourist attractions

## Listening • Chicago attractions

a Listen to James and his friends and answer the questions.

1. Where is Chicago?

\_\_\_\_\_

2. How many people live there?

\_\_\_\_\_

3. Why does James like Chicago so much?

\_\_\_\_\_

4. What can you see at the North Park Village Nature Center?

\_\_\_\_\_

5. What is James' favorite museum? Why?

b Listen again and mark the sentences **T** (true) or **F** (false).

1. Chicago is a small town in the United States.   

2. You can see different kinds of animals and birds at the Nature Center.   

3. There are twenty types of butterflies at North Park Village.   

4. The Art Institute has over half a million pieces of art.   

5. James thinks the Art Institute is fantastic.   

6. James wants to be a painter.
