I guess I'm a computer freak! I'm always on my computer and I love my gadgets! When I wake up I <sup>1</sup>*check* my emails and texts. While I'm having breakfast I listen to music on my MP3 player and send some instant <sup>2</sup> \_\_\_\_\_ to my best friend. I don't often phone her because it's quicker and easier to speak online! I have my <sup>3</sup> \_\_\_\_\_ in my pocket with me everywhere – even in class. I can go online and <sup>4</sup> \_\_\_\_\_ the Internet for information – that's educational! At break and after school I <sup>5</sup> \_\_\_\_\_ games on my phone. In the evening I sometimes use the <sup>6</sup> \_\_\_\_\_ and watch a film on our big screen. I don't have many books because I read them on an <sup>7</sup> \_\_\_\_\_ and I keep all my photos on a really small <sup>8</sup> \_\_\_\_\_, which I keep in my pocket. At the end of the day my phone and tablet batteries are down, so I <sup>9</sup> \_\_\_\_\_ them before I go to bed. I cannot imagine living without my gadgets!
