

## MARCILLAC

### EXERCISE 1

### EXERCISE 2 – Match the images with the definitions

A: The town of Marcillac is located in Aveyron at 20km away from Rodez in the North West

B: Marcillac is also the name of a French red or rosé wine produced in the vineyard next to the town of Marcillac

C: The vineyards cover 200 hectares and produce 8000 hectolitres of wine

D: In this city you can visit the Chapelle Notre-Dame de Foncourrieu with the statue of Marie. At the beginning this building was built to thank Marie.

E: You can walk around the hills of Marcillac too. The landscape is fantastic !

F: Salles-la-source is a village near Rodez. There is a waterfall. It's a very pretty and small village.

G: In Salles-la-Source there is also the traditional crafts and arts museum. It is an exhibition of old jobs with agricultural equipments and past objects. It's in a old woollen mill from 19th century.

H: The rougiers of Marcillac, red sandstones colour the landscape all around Marcillac
