• Does it live in the water, or on land?

• Has it got wings/ legs/ a tail?

• How many legs has it got?

• Is it bigger or smaller than a dog?

• Does it eat other animals?

• Is it dangerous?

• What colour is it?

• It lives on land and in the water.

• It's got legs and a tail.

• Four.

• It's bigger than a dog.

• Yes, it does.

• Yes, it is.

• Yes, it is.

You can create your own dialogue. First, choose your animal.

Kamu boleh membuat dialog sendiri. Pertama sekali, kamu mesti memilih haiwan terlebih dahulu.

Try to create your own dialogue!

• Does it live in the water, or on land?

• It lives on land and in the water.

• Has it got wings/ legs/ a tail?

• It's got legs and a tail.

• How many legs has it got?

• Four.

• Is it bigger or smaller than a dog?

• It's bigger than a dog.

• Does it eat other animals?

• Yes, it does.
