Carla Pine is the managing director of Cibus, a chain of Italian restaurants. She works in London and is responsible for twenty restaurants in the UK. Next week, she's visiting two of her restaurants to find out what it's like to be a worker in the company, but she's going to do it in secret! She's going to dress as a member of staff, but because people might recognize her, she's going to change the colour of her hair and the style of her clothes, and become ... Katie Rose.

She's going to Manchester and she has a busy few days ahead of her. On Monday and Tuesday, she's working as a kitchen assistant with George Nowak. On Wednesday and Thursday, she's working as a waitress in another restaurant in the city with Lucy Mendez ... and on Friday, she's going to tell George and Lucy who she really is!
