

BUILD A BIRD

In How To Make A Bird there are simple steps that need to be followed in order to make a bird. Cut out the steps and use the book to place them in chronological order to literally build a bird.

Arrange the bones into a bird shape	Give your bird a song to sing
Collect tiny light hollow bones	Give your bird keen eyes for hunting
Give your bird a beak for building a nest	Give your bird strong claws for gripping
Give your bird a fast-beating heart	Smooth the feathers over the bones
Set your bird free to soar into the distance.
