

Could and should for suggestions

You.....go back to where you last opened your bag and look around.

You.....check the places you have been today.

You.....walk back along the way you just walked.

You.....cancel your credit cards

You.....search the pockets of your bag.

You.....notify campus security.

You.....ask people if they have seen it.

You.....arrange to get a new identification card.

Note: **Could** does not express judgment about what is "right" to do.

Should expresses advice about what is "good" to do.
