

Somebody that I used to know Gotye

Now and then I think of when we _____ together
Like when you said you _____ so happy you could die
Told myself that you were right for me
But _____ so lonely in your company
But that _____ love and it's an ache I still remember.

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we _____ that we _____ not make sense
Well, you _____ that we would still be friends
But I'll admit that I was glad it was over.

But you _____ have to cut me off
Make out like it never _____ and that we were nothing
And I _____ even need your love
But you treat me like a stranger and that feels so rough.

No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though.

Now you're just somebody that I _____ know
Now you're just somebody that I used to know
Now you're just somebody that I used to know.

Now and then, I think of all the times you _____ me over
But had me believing it was always something that I'd done
But I don't wanna live that way
Reading into every word you say
You said that you _____ let it go
And I wouldn't catch, you _____
Somebody that you used to know.

But you _____ have to cut me off
Make out like it never happened and that we _____ nothing
And I _____ even need your love
But you treat me like a stranger and that feels so rough.

Once I was seven years old, my
mama _____ me
Go make yourself some friends or
you'll be lonely
Once I _____ seven years old.

It was a big big world, but we
_____ we _____ bigger
Pushing each other to the limits, we
_____ quicker
By 11 smoking herb and drinking
_____ liquor
Never rich so we _____ out to
make that steady figure.

Once I was 11 years old, my daddy
_____ me
Go get yourself a wife or you'll be
lonely
Once I was 11 years old.

I always _____ that dream like
my daddy before me
So I started writing songs, I started
writing stories
Something about the glory, just
always _____ to bore me
'Cause only those I really love will
ever really know me.

Once I was 20 years old, my story
got told.
Before the morning sun, when life
was lonely.
Once I was 20 years old.

only see my goals, I don't believe in
failure.

'Cause I know the smallest voices,
they can make it major.

I got my boys with me at least those
in favor

And if we don't meet before I leave,
I hope I'll see you later.
