Bang bang, that awful sound

Bang bang, my baby            me down

We on horses made of sticks

I black and you white

He would always win the fight

[Chorus]

Seasons and the time

And I , I you mine

You would always laugh and say

"Remember when we used to play?"

[Chorus]

Music and people

Just for me the church bells

After echoes from a gun

We both that we'd be one

Now you're gone I don't know why

Sometimes I cry

You goodbye

You the time to lie

[Chorus]

You                    me right between the eyes

You                    to paralyze

Bang,bang,bang,bang, baby

Oh, oh,baby I'm laying on the ground

I'll never come around bang, bang

Oh, oh, baby come on back to me

You'll see how sweet it's gonna be bang, bang
