Practice

1. Read the situation and then match with the social skill you are using.

Listening | Cooperating | Respecting others | Resolving conflict | Accepting responsability | Adopting a variety of group roles | Group decision making

a. I made a mistake, I told everybody so we can fix it together.

b. I had a great idea to make our Project better, I told everybody in my group and they like it.

c. We were playing with my friends in the park and Miguel proposed another game that I didn't like, but I all my friends wanted to play, so we played the new game. At the end it was fun.

d. My cousin told me that she didn't like my favorite program, I understand that we have different tastes.
