

Traffic

Paul _____ at his watch. He is worried. He has fifteen minutes to get to his interview and he is stuck in a traffic jam. He _____ around. Everyone is honking their horns and trying to _____ into the lane that seems to be moving faster. They have barely moved in the last thirty minutes. Paul _____ out of the window at the people _____ past him on the sidewalk. An old woman walking with a cane passed him fifteen minutes ago. He cannot be late for this. He grabs his suitcase, opens the door and gets out of the car. He shuts the door and begins to walk _____ down the street. All the cars behind him begin to honk and the drivers start yelling at him. One _____ : "HEY! WHERE DO YOU THINK YOU'RE GOING? YOU CAN'T JUST LEAVE YOUR CAR!! HEY!!!! BACK!!
