Read and study.

Read, drag and drop. There is ONE extra picture.

Example: There's a clock in the living room, it's on the wall.

1 There's a math in the bathroom, next to the bath.

2 There's a mirror in the bedroom, it's next to the lamp.

3 There's an armchair in the living-room, it's under the clock.

4 There's a table in the kitchen.
