### Unit 3: Reacting to news

#### INSTRUCTION

Listen to the dialogue. Choose the  
correct words.

yesterday      road      terrible      bad  
last night      fantastic      tonight  
tomorrow      street      amazing

✓ Hi Chris! Guess what happened (1) **yesterday** /  
**last night** during the storm?

Well, I was watching TV when I heard a loud noise ...

A huge tree fell down in our (2) **road** / **street**!  
It fell in our garden.

No, luckily everybody was OK. We were all  
inside because of the awful weather.

Well, I've got some good news too! A reporter  
from the local TV station came and interviewed  
us about what happened. I'm going to be on TV  
(3) **tonight** / **tomorrow**!

I don't know, what happened?

What was it?

No way! That's (3) **terrible** / **bad** news. Was  
anybody hurt?

Great, I'm really pleased about that.

Wow, that's (5) **amazing** / **fantastic**! I'm definitely  
going to watch it.
