learn

play

do

Chorus:

The Internet's OK

We use it every day

To learn new things or just have fun,

It helps us work and run

Finding information,

Looking at pictures too,

Watching videos,

Playing the recorder,

There's such a lot to see

(Chorus)

The internet's fantastic,

It's always lots of fun,

So many things that we can create

There's something there for everyone.

2 Look and drag the correct Word.
