Part 4

Questions 25 – 32

Read the blog about interviews and technology.

Choose the best answer (A, B, C or D) for each space.

Interviews and Technology: Happy Together?

If you are looking for a job, I have some advice for you about interviews and technology. For over 20 years, I (25) for the same company and I love my job. Over the years, I (26) many good interviews, but also a few disasters.

I remember one interview - the candidate (27) a good interview. But, once outside the interview room, the candidate (28) a friend and then complained about how boring the interviewers were! The candidate was extremely embarrassed when he (29) we could hear him, but it was too late.

Have you ever done video interviews? Recently, we have (30) to do interviews this way to save time and money. But be careful! One candidate's interview ended early because the battery in his computer was too low. A simple mistake, but a big one!

I (31) this blog for more than an hour, but there is still more to say. For now, let me ask: (32) learned something about interviews and technology? I hope so, and good luck!

- 25 **A** work **B** have been working **C** am working **D** worked
