If I lose myself tonight
It'll be by your side
I lose myself tonight
If I lose myself tonight
It'll be you and I
Lose myself tonight

I stared up at the Sun
Thought of all other people,
places and things I've loved
I stared up just to see
With all of the faces, you were
the one next to me
You can feel the light start to
tremble
Washing what you know out to
sea
You can see your life out the
window, tonight

I woke up with the Sun
Thought of all other people, places
and things I've loved
I woke up just to see
With all of the faces, you were the
one next to me
You can feel the light start to
tremble
Washing what you know out to
sea
You can see your life out the
window, tonight

(Lose myself)
If I lose myself tonight
Ooh, ooh-oo
Ooh, ooh-oo

If I lose myself tonight
It'll be by your side
I lose myself tonight
If I lose myself tonight
It'll be you and I
Lose myself tonight

(Take us down and we keep
trying)
(Forty thousand feet, keep flying)
(Take us down and we keep
trying)
(Forty thousand feet, keep flying)
