

BC Parks Day-Use Pass Reservation System

Some of our most popular parks often have too many visitors. Some BC parks are too busy and crowded. This is not safe for the animals or the visitors.

BC Parks visitors must get a free day-use pass to visit five of the busiest provincial parks in BC: [Garibaldi](#), [Golden Ears](#), [Joffre Lakes](#), [Mount Robson](#), and [Stawamus Chief](#).

How it works:

As of June 23, 2021, free-day use passes will be needed. You can get your free pass starting at 7am, one day before your planned visit.
