

A. Compare the following decimals. Choose "larger than" or "smaller than"

- |    |                 |             |                 |
|----|-----------------|-------------|-----------------|
| 1. | <div>0.36</div> | <div></div> | <div>0.63</div> |
| 2. | <div>0.55</div> | <div></div> | <div>0.41</div> |
| 3. | <div>0.4</div>  | <div></div> | <div>0.04</div> |
| 4. | <div>0.12</div> | <div></div> | <div>0.2</div>  |
| 5. | <div>0.23</div> | <div></div> | <div>0.2</div>  |

B. Match

|                 |                 |                         |                 |                 |
|-----------------|-----------------|-------------------------|-----------------|-----------------|
| <div>0.91</div> | <div>0.9</div>  | <div>smaller than</div> | <div>0.1</div>  | <div>0.09</div> |
| <div>0.73</div> | <div>0.03</div> | <div>larger than</div>  | <div>0.04</div> | <div>0.43</div> |
| <div>0.45</div> | <div>0.50</div> |                         | <div>0.43</div> | <div>0.4</div>  |

C. Compare the following decimals. Write "smaller than" or "larger than".

- |    |                 |                 |    |                 |                 |
|----|-----------------|-----------------|----|-----------------|-----------------|
| 1. | <div>0.7</div>  | <div>0.07</div> | 2. | <div>0.10</div> | <div>0.11</div> |
|    | <div></div>     |                 |    | <div></div>     |                 |
| 3. | <div>0.34</div> | <div>0.43</div> | 4. | <div>0.90</div> | <div>0.09</div> |
|    | <div></div>     |                 |    | <div></div>     |                 |
