

## THE ACCIDENT

Ben was driving on the A1 in Middlesbrough when he had a bad accident and his car hit a post. He was driving too fast around a bend on the highway, and his car went out of control and crashed. Luckily, no one was hurt in this accident. Ben is not hurt, but he is very upset. The bonnet of his car is destroyed and the right door is broken. He has car insurance, but his insurance rate will go up because this accident will be on his record. Ben called the police on his mobile, and they are on the way. He also called his insurance company and his wife. His wife wants him to go to the hospital for a medical examination. Ben thinks he is okay, and he does not want to go to the hospital. He wants to go home.

Should Ben go to the hospital for a medical examination? What should he do next?
