1 Listen, read, and sing. TR: 1.7

### Protect the Seas

Please, please protect the seas.  
Put good deeds into motion.  
Help save the oceans.

We must protect  
the wonders of the seas,  
to make a better world  
for you and me.

We must stop polluting  
the ocean blue.  
An octopus would like that,  
and so would you.
